

Overland Storage Nominated as Finalists for Four Awards at The Storries VIII

May 19, 2011

Winners announced June 23rd at the Grand Connaught Rooms, London

LONDON, May 19, 2011 (BUSINESS WIRE) --

Overland Storage (NASDAQ: OVRL), the trusted global provider of [effortless data management](#) and [data protection solutions](#) across the [data lifecycle](#), has been nominated as finalists for four awards at the [2011 Storage Magazine Awards](#) (Storries VIII). With products from its range of SAN, NAS and Tape Library solutions all nominated, the awards demonstrate how businesses of all sizes are relying on Overland to solve their data management and protection challenges.

The nominations are as follows:

- **Value for Money Award - SnapServer S1000**

[SnapSAN S1000](#) is a 2U 12-drive modular SAN solution that delivers highly available storage services for business critical applications that require superior performance.

- **Storage Solution of the year - Overland / 101 Data Solutions - [Wyke Farm Cheese](#)**

Wyke Farm, the UK's largest independent cheese producer and milk processor, uses Overland disk-based storage solutions to help protect their headquarters. It is currently using SnapServer NAS storage from Overland to store and manage all data generated from twenty high-definition CCTV cameras.

- **Network Attached Storage (NAS) Product of the Year - SnapServer N2000**

[SnapServer N2000](#) is a block-and-file-level NAS or SAN package aimed at virtualised environments.

- **Tape Based Product of the Year - NEO 2000E Tape Library**

[NEO 2000E](#) is a scalable, multi-modular product that accommodates business growth with configurations starting at 12TB and scaling up to 90TB within a single 5U module.

"These nominations acknowledge Overland's continued impact at all points in the storage lifecycle," said Andy Walsky, VP EMEA Sales, Overland Storage. "Businesses small and large know that, whether their data needs to be accessed immediately, infrequently or simply archived offline, they will find a robust, scalable, solution with Overland."

The Storries, now in their eighth year, offer readers of the UK's Storage Magazine, the chance to reward outstanding products, services and people within the industry. To cast your votes visit: <http://www.overlandstorage.com/stories-VIII/>
