### **About Overland Storage**

Overland Storage is the trusted global provider of effortless data management and data protection solutions across the data lifecycle. By providing an integrated range of technologies and services for primary, nearline, offline, archival, and cloud data storage, Overland makes it easy and cost effective to manage different tiers of information over time. Whether distributed data is across the hall or across the globe, Overland enables companies to focus on building their business instead of worrying about data growth. Overland [SnapScale](#), [SnapServer](#), [SnapSAN](#), [NEO Series](#) and [REO Series](#) solutions are available through a select network of value added resellers and system integrators. For more information, visit [www.overlandstorage.com](http://www.overlandstorage.com).
