

## Sphere 3D Files Supplement to Definitive Proxy Statement

May 17, 2018

SAN JOSE, Calif., May 17, 2018 (GLOBE NEWSWIRE) -- [Sphere 3D Corp.](#) (NASDAQ:ANY), a containerization, virtualization, and data management solutions provider, today announced that it has filed a supplement (the "Supplement") to its definitive proxy statement and management information circular (the "Definitive Proxy Statement") filed with the Securities and Exchange Commission (the "SEC") and with the applicable Canadian securities regulatory authorities in connection with the solicitation of proxies for use at the special meeting of shareholders scheduled to be held on May 31, 2018 (the "Special Meeting"). At the Special Meeting, shareholders will be asked to, among other things, consider and, if advisable, pass a special resolution approving the sale by Sphere 3D of all of the shares of its subsidiary Overland Storage, Inc. (the "Share Purchase") to Silicon Valley Technology Partners LLC, an entity established and controlled by Eric Kelly, the Chief Executive Officer of Sphere 3D (the "Purchaser").

The Supplement is intended to disclose that the Purchaser and Sphere 3D may potentially amend the agreement relating to the Share Purchase to provide that, instead of the Purchaser paying the full purchase price thereunder in cash, which would then in turn be used to repay Sphere 3D's outstanding debt obligations, Purchaser could assume certain of the Sphere 3D's outstanding debt obligations and pay the difference (if any) between the full purchase price agreed upon and the amount of such assumed debt obligations in cash. As of the date hereof, the agreement relating to the Share Purchase has not been amended to effect the potential change in consideration or otherwise.

The special committee of independent directors and the board of directors of Sphere 3D considered the potential amendment and concluded that, because the full amount of the purchase price is expected to be used by Sphere 3D to repay outstanding debt obligations, the potential consideration change would not substantively alter the current terms of the Share Purchase.

### Proxy and Voting Information

The board of directors of Sphere 3D previously established April 10, 2018 as the record date for the determination of Shareholders entitled to vote at the Special Meeting. If Shareholders have not already submitted a proxy for use at the Special Meeting, they are urged to do so promptly. **The special committee and the board of directors unanimously recommend that the shareholders vote in favor of the resolution approving the Share Purchase.**

No action is required by any Shareholder who has previously delivered a proxy and who does not wish to revoke or change that proxy. Information about voting or revoking a proxy appears in the Supplement and the Definitive Proxy Statement.

Important information concerning the Share Purchase is set forth in the Definitive Proxy Statement. The Definitive Proxy Statement is amended and supplemented by, and should be read in conjunction with, the information set forth in the Supplement, which information shall be considered part of the Definitive Proxy Statement.
