### **About Sphere 3D**

Sphere 3D Corporation (TSX-V: ANY, NASDAQ: ANY) is a virtualization technology solution provider. Sphere 3D's Glassware 2.0™ platform delivers virtualization of some of the most demanding applications in the marketplace today; making it easy to move applications from a physical PC or workstation to a virtual environment either on premise and/or from the cloud. Sphere 3D's V3 Systems division supplies the industry's first purpose built appliance for virtualization as well as the Desktop Cloud Orchestrator management software for VDI. Sphere 3D has announced its proposed merger with Overland Storage (NASDAQ: OVRL). This alliance is intended to bring together next generation technologies for virtualization and end-to-end scalable storage offerings to enable the introduction of a number of converged solutions.
